PROFESSIONAL SUMMARY

Experienced Mobile Device Testing Specialist with over [2] years of expertise in ensuring the quality and performance of mobile applications and devices. Proficient in both manual and automated testing methodologies, with a strong background in functional, usability, and performance testing. Adept at identifying and troubleshooting issues across various mobile platforms, including iOS and Android. Demonstrated ability to collaborate effectively with cross-functional teams to deliver high-quality products within tight deadlines. Committed to continuous learning and staying updated with the latest industry trends and technologies to enhance testing processes and outcomes. Expertise in all aspects of the Testing and Workflow, Waterfall and Agile methodology including requirement analysis, design, content and Pre-testing before validation and exposure to UI.

TECHNICAL SKILL SET

- ❖ Testing : Mobile, Modem, Log Analysis
- ❖ Software and tools : QXDM, ELT, Logel Tools, SA NSA NR Technologies, JIRA, SQL, Core Java
- ❖ Databases : XML, MS SQL Server
- ❖ Data Visualization : MS Excel, MS PowerPoint
- ❖ Methodologies : Agile (Scrum) and Waterfall
- ❖ Core Competencies : 2G, 3G, 4G & 5G, Vowifi,Customer Journey Mapping, Market Analysis

WORK EXPERIENCE

Marquis Technology   **April 2023 – Present**
Test Engineer

- Responsible for working on modem testing for mobile devices and execute the plan for testing cases.
- Thorough analysis of logs.
- Works on finding issues in protocol and device testing and raising the issues on Jira.
- Performed Multiple Log analyisi Scenarios on QXDM, ELT, Logel, ShanonDM.
- Entrusted with multiple projects related to mobile testing and providing support to other countries for their device testing project.
- Addressed and resolved bugs and performance issues.
- Tasked with testing and analysis related to network side test cases such as 2G,3G,4G and 5G.
- Implemented quality assurance testing methodologies and controls. Analyze the Logs on different tools like QXDM, ELT, Logel etc.
- Analyzed client requirements, developed test case, testing scenarios, Reporting Issues related to modem
- Created user stories and tasks, sprint planning, regression, prioritizing day to day task and bug report using JIRA.
- Quality Assurance across the TEST environments accomplished passing or failing user stories.
- Trained 8 newly hired project personnel, as part of their induction program.
- Proficient in writing and executing SQL queries to manage and validate data within relational databases
- Good knowledge of Core Java (OOPS, Arrays, Loops)

Certification

- **Completed Java and Manual testing certification at Spiders Vashi (Navi Mumbai)**
- **Currently pursuing Automation testing certification at Net Tech India at Thane**

EDUCATION

DR. Babasaheb Ambedkar technological university Lonere Raigad, (**B.Tech (EnTC)**)

Jun 2019 - May 2022   CGPA- 8.99

Degree Project – **"ATTENDANCE SYSTEM FOR STUDENTS OF GOVERNMENT AIDED SCHOOLS"**

- This Wireless Fingerprint attendance system is elegant and efficient ways to track the presence of students in the class over an entire semester for various courses.it also gives easy interface to get detailed information of relevant quires.

- Using this attendance system, professor can get attendance of a particular students throughout whole semester attendance of whole class for a particular day and attendance of whole class throughout the Semester in Tabular Format within Few Seconds.

DIPLOMA: Institute of petrochemical engineering lonere Raigad (DBATU-DIPLOMA WING) (**EnTC**)
Passing Year -2019   CGPA- 6.11

ACHIEVEMENTS

- Star Performer, January 2025 (Monthly Awards) for minimum (zero) defect project delivery. Worked in an Accelerator Project, with stringent deadlines, successfully delivered projects with commendable Quality Assurance. I was appreciated & rewarded with for the milestone.
- Received several appreciations from Leads as well as Quality leads for quality bug reporting and finding Must Fix issues Reported highest number of exploits).

Personal Details

Address: 602, SHIV HEIGHTS, Near Vande matram Degree college, Old Dombivali,421202.

Language Known: English, Marathi, Hindi

Hobbies: Playing Cricket, Listening to Music, Watching Movies.
