

Arun Kumar

Summary:

- Strong knowledge of Mobile network technologies, including 5G, LTE, WIFI and TCP/IP protocol.
- Proven track record of designing and executing test plans and test cases for mobile network systems.
- Experience in troubleshooting network issues to resolve the problems.
- Excellent analytical and problem-solving skills, with the ability to identify and resolve issues quickly and effectively. Good understanding of software development life cycle (SDLC) and agile methodologies.
- Able to work autonomously or as part of a team, consistently delivering precise and reliable testing results while efficiently managing tasks and meeting project timelines.

Key Skills:

- Mobile Testing (Android, iOS)
- Manual Testing
- Bug Tracking and Reporting (JIRA)
- Bug Tracking and Reporting over ALM
- Smoke Testing
- Sanity Testing
- Function Testing
- Microsoft Excel

Competencies:

- and bug tracking process using JIRA and ALM
- Network protocol testing.
- Problem identification, debugging process and defect analysis.
- Functional Testing, Modem Testing

Work-Experience:

○ Test Engineer, Marquis Technology Private Limited

{October-2021 – Present} Noida

- Collaborated with development teams to understand application requirements and design Comprehensive test plans. Developed and executed detailed test cases, identifying defects and ensuring software quality across iOS and Android platforms.
- Reported and tracked bugs using JIRA and ALM , facilitating clear communication and Issue resolution between development and testing teams.

○ Test Engineer, Essentially Nothing Private Limited (on payroll of Marquis Technologies)

{March- 2023 – March 2024}

Gurugram

- Design and executed test plans and test cases for 5G and LTE networks to ensure network performance and user experience.

- Conducted manual testing of mobile applications to validate functionality, consistency, and performance across different devices and OS versions.
- Executed manual cases, reported defects, and collaborated with developers to verify Fixes and improvements.
- Developed and executed regression Tests and performed exploratory testing

Education:

- **B. Tech in Electronics and Communication Engineering**
(Moradabad Institute Of Technology, Moradabad)
July 2017 – August 2021
CGPA:6.25
- **12th**
(U.P Board, S.B.S J Inter College SAMBHAL, U.P.
June 2017
Percentage :62.44
- **10th**
(U.P Board, S.B.S J Inter College SAMBHAL, U.P.
May 2015
Percentage: 74.83
